The Memorandum of Understanding (MOU) between WMO College and OISCA SIC, sets forth an agreement:

1. To promote Environmental Conservation Activities through WMO College – OISCA Save Green Club.
2. To train the undergraduate/postgraduate students of WMO College on OISCA Flagship Principles and to enhance their skills for better employability.
3. To take up extension activities to neighbouring villages/localities for women empowerment.
4. To create awareness among the society on environmental issues like plastic disposal, tree plantation in and around the campus and to the neighbourhood community.
5. To promote and encourage Rainwater Harvesting for the sustainability of the ground water table of the locality where the institution's Save Green Club undertakes environmental projects/activities.
6. To create awareness on the impact of the excess application of pesticides/chemical fertilizers and to promote organic agricultural practices.
7. To undertake, promote and support the green initiatives to achieve the Sustainable Development Goals set forth by the United Nations Organization.
8. To undertake and facilitate Youth Development Programs for moulding the youth to good citizens with practical skills and technical know-how so that they may voluntarily engage in the nation building process.

Towards the above stated programs and objectives, WMO College will associate with OISCA Chapters and assist as well as avail guidance and assistance from OISCA SIC.
