## **Walk with a Scholar (WWS)**

Walk with a Scholar (WWS) part of the ‘New Initiatives in Higher Education’ initiated by the Department of Higher Education, Govt. of Kerala proposes to arrange specialized mentoring programmes for students in Undergraduate Programmes in Arts, Science and Commerce and to provide guidelines for their future career.

The scheme introduces the idea of mentoring and builds on the concept of a mentor as a “Guide and Friend”. The scheme aims at giving necessary orientation to needy students, to prepare them for employment and give them the necessary guidance, motivation, and mental support to enhance their employability.

A college-level coordinator and five departments are identified by the college council for the programme. Applications are invited from academically bright students from these departments. A total of 6 students (scholars) are selected from each department and allocated under a teacher (internal mentor). All six scholars under an internal mentor are taken from the same department for effective mentoring. The College Council along with the IQAC cell act as the Monitoring Committee.

The two main components of the programme are internal (7 sessions) and external (8 sessions) mentoring sessions. All the mentoring sessions are of 1 hour duration. The panel of external mentors is identified by the college from the specified fields/discipline. The External Mentors are individuals who are academicians, professionals, intellectuals and activists in the public sphere who are also experts in their respective fields.

State level motivation camp, University/district level camp, Internship, and motivation visit are the other components of the programme.

## Walk With a Scholar Programme 2018-19

### Report

Walk With a Scholar Programme for the year 2018 -19 started in the month of July 2018. Mr. Abdul Rasheed, Assistant Professor of Electronics, was entrusted as the Institutional Coordinator by the College Council. The Coordinator introduced the programme among the first and second year degree students and invited applications from them. With the help of the college council and the Heads of various departments 60 students (30 students out of 55 from 1<sup>st</sup> year and 30 students out of 47 from 2<sup>nd</sup> year) were identified and enrolled. The enrolled mentees are listed below.

### Mentees – First Year UG
