

WMO Arts and Science College, Muttil

Alumni Feedback and action taken report (2020-21)

The exuberant network of alumni systems in WMO Arts and Science College is involved with various educational and welfare activities around the world. This wide spectrum of alumni extends their effort to exchange academic and non-academic experiences of the college. Each alumni meeting ends with some strong resolutions and many of them came into action. Members of the alumni were given an opportunity to remark on their academic, and non-academic experiences, and the administrative and infrastructural facilities of the college. The objectives of this feedback are to analyze the importance and relevance of the courses, the functional nature of the course, co-curricular activities, and the campus environment of the college.

They observed and analyzed the academic learning process, administration, library system, and other activities of the college with great interest and passion. The majority of students are still working with great aspirations imbibed from the college. Therefore they are flamboyant and nourished to be part of this esteemed institution. Some of the students from different batches shared their grievances on infrastructural development such as digital classrooms, language lab, Drama Theater, and indoor stadium. International alumni suggested arranging a virtual platform to connect all students of WMO. As a result, a website was formed exclusively for alumni registration so that they can connect with each other from various corners of the world. They expressed the need for a mentoring system and also came forward to extend financial support for deprived students in the college. As part of the alumni meets conducted in the college, they contributed podiums, television, books, and other amenities to the various departments. They initiated e-commerce, e-transaction, and e-marketing programs for students. They recommended conducting various honoring ceremonies in connection with the college in which honoring Rahul

Gandhi, Member of Parliament was one of the highlighting events. Police alumni of our college were reminded to give an awareness program on civil conduct, abuse of drugs, and other criminal activities among the students.
