1.4 FEEDBACK SYSTEM

1.4.1: Teachers' Feedback and Action Taken Report 2020-21

Actions Taken Report on Faculty Feedback

2020-21

Feedback on the curriculum is diligently gathered from the faculty. As a community that maintains regular communications with syllabus revisions and students' standards from time to time, the most expert and resourceful suggestions were obtained from them. Most of the teachers expressed their satisfaction with the comprehensiveness of the curriculum offered by the university. Specific suggestions related to curriculum, teaching-learning process, and other facilities are duly taken care.

Sl no	Teachers Feedback	Action Taken
1	A suggestion made on updating books in the library	Purchased prescribed books by the departments
2	The Department of Mass Communication expressed the need to change their complementary course from Economics to Indian Constitution and Political Science and the request has been forwarded from the college on 08-01-2021.	The University of Calicut made necessary arrangements to change their complementary course from Economics to Indian Constitution and Political Science from 2020 admission onwards.
3	Suggestion to conduct centralized examinations for audit courses	Conducted centralized examinations for audit courses by IQAC
4	Suggested uploading department programs into google-drive by all departments	Department documents uploaded into google drives
5	Suggestion for a common template for Evaluation reports on Course wise semester	A common template for Evaluation reports on Course wise semester plans was shared
6	Suggested special timetable for odd semester	All departments scheduled a special timetable for the completion and revision of the portions

7	A suggestion to prepare hardcopy of students' attendance	Prepared attendance registers and kept students' attendance both in hardcopy and softcopy
8	The curriculum of teaching foreign languages, especially English and Arabic, should be based on learning through activities	Communicated the matter with the members of the Board of Studies
9	PG Department of Statistics meticulously observed the demand for Statistical machine learning and its scope in the job market. Informed the concern to the authority concerned in the college.	A request has been made to the Registrar, University of Calicut, and Board of Studies to bring three options in complementary courses: Statistical Machine Learning I & II and Advanced Statistical Machine Learning. As a result, the university made necessary modifications to the syllabus of the MSc Statistics Programme.
